**SAVE UP TO**

**\$10,725**

\*Front End Loader with every MF2600 Series tractor sold. Offer ends June 30 2015, while stocks last.

# MF GROUNDS CARE RANGE

## RELIABLE AND PACKED WITH FEATURES

Get the job done quicker and achieve a smoother finish with the Massey Ferguson grounds care range.

### MFLZ-60 | 27 HP

- 60" cutting deck
- Large 60" floating/fabricated deck
- Electric clutch
- Dual 30 litre fuel tanks
- Optional mulch kit
- Zero turning radius

FROM \$3,190<sup>0</sup> INCL. GST

### MF42-20 | 20 HP

- Kohler twin cylinder engine
- 42" / 106cm side discharge deck
- Heel / toe operated hydrostatic transmission
- Cruise control
- Cast-iron front axle
- Electric PTO deck engagement
- 3 in 1 cutting system
- Mulch kit standard
- Mow in reverse facility

### MF50-22ZT | 22 HP

- 22 HP engine for powerful efficient performance
- 127cm (50") side discharge deck
- Dual EZT hydrostatic transmission
- Electric PTO
- Easy mount chassis
- Mulch kit – STANDARD

### MF41-22RD | 22 HP

NEW

- 10 Litre fuel tank
- Hydrostatic transmission
- 12 position deck height adjustment
- 22 HP powerful engine
- Rear discharge catcher – STANDARD
- Cruise control – STANDARD
- 2 year warranty

### MF36-16ARD | 16 HP

NEW

- 10 Litre fuel tank
- Autodrive transmission
- 12 position deck height adjustment
- 16 HP durable engine
- Rear discharge catcher – STANDARD
- Cruise control – STANDARD
- 2 year warranty

<sup>0</sup>Offer ends June 30 2015, while stocks last.

# MF UTILITY TRACTORS

## PROVEN POWER AND EFFICIENCY

Massey Ferguson's mid horsepower tractor range features versatile multi-purpose tractors capable of tackling a host of jobs around farms and municipalities.

NEW EUROPEAN  
DESIGN LOADER

### MF4600SERIES | 80 – 100 HP ROPS OR CAB

- Take on every task around the farm with the manoeuvrable MF4600 Series
- Tier 4 emission compliant engines
- Range of wheel and tyre options available
- Air-conditioned cab
- Turf tyre option
- 2-speed rear PTO
- 12F/12R power shuttle transmission
- Large lift capacity of 2500 kg
- 926X/936X Loader

NEW EUROPEAN  
DESIGN LOADER

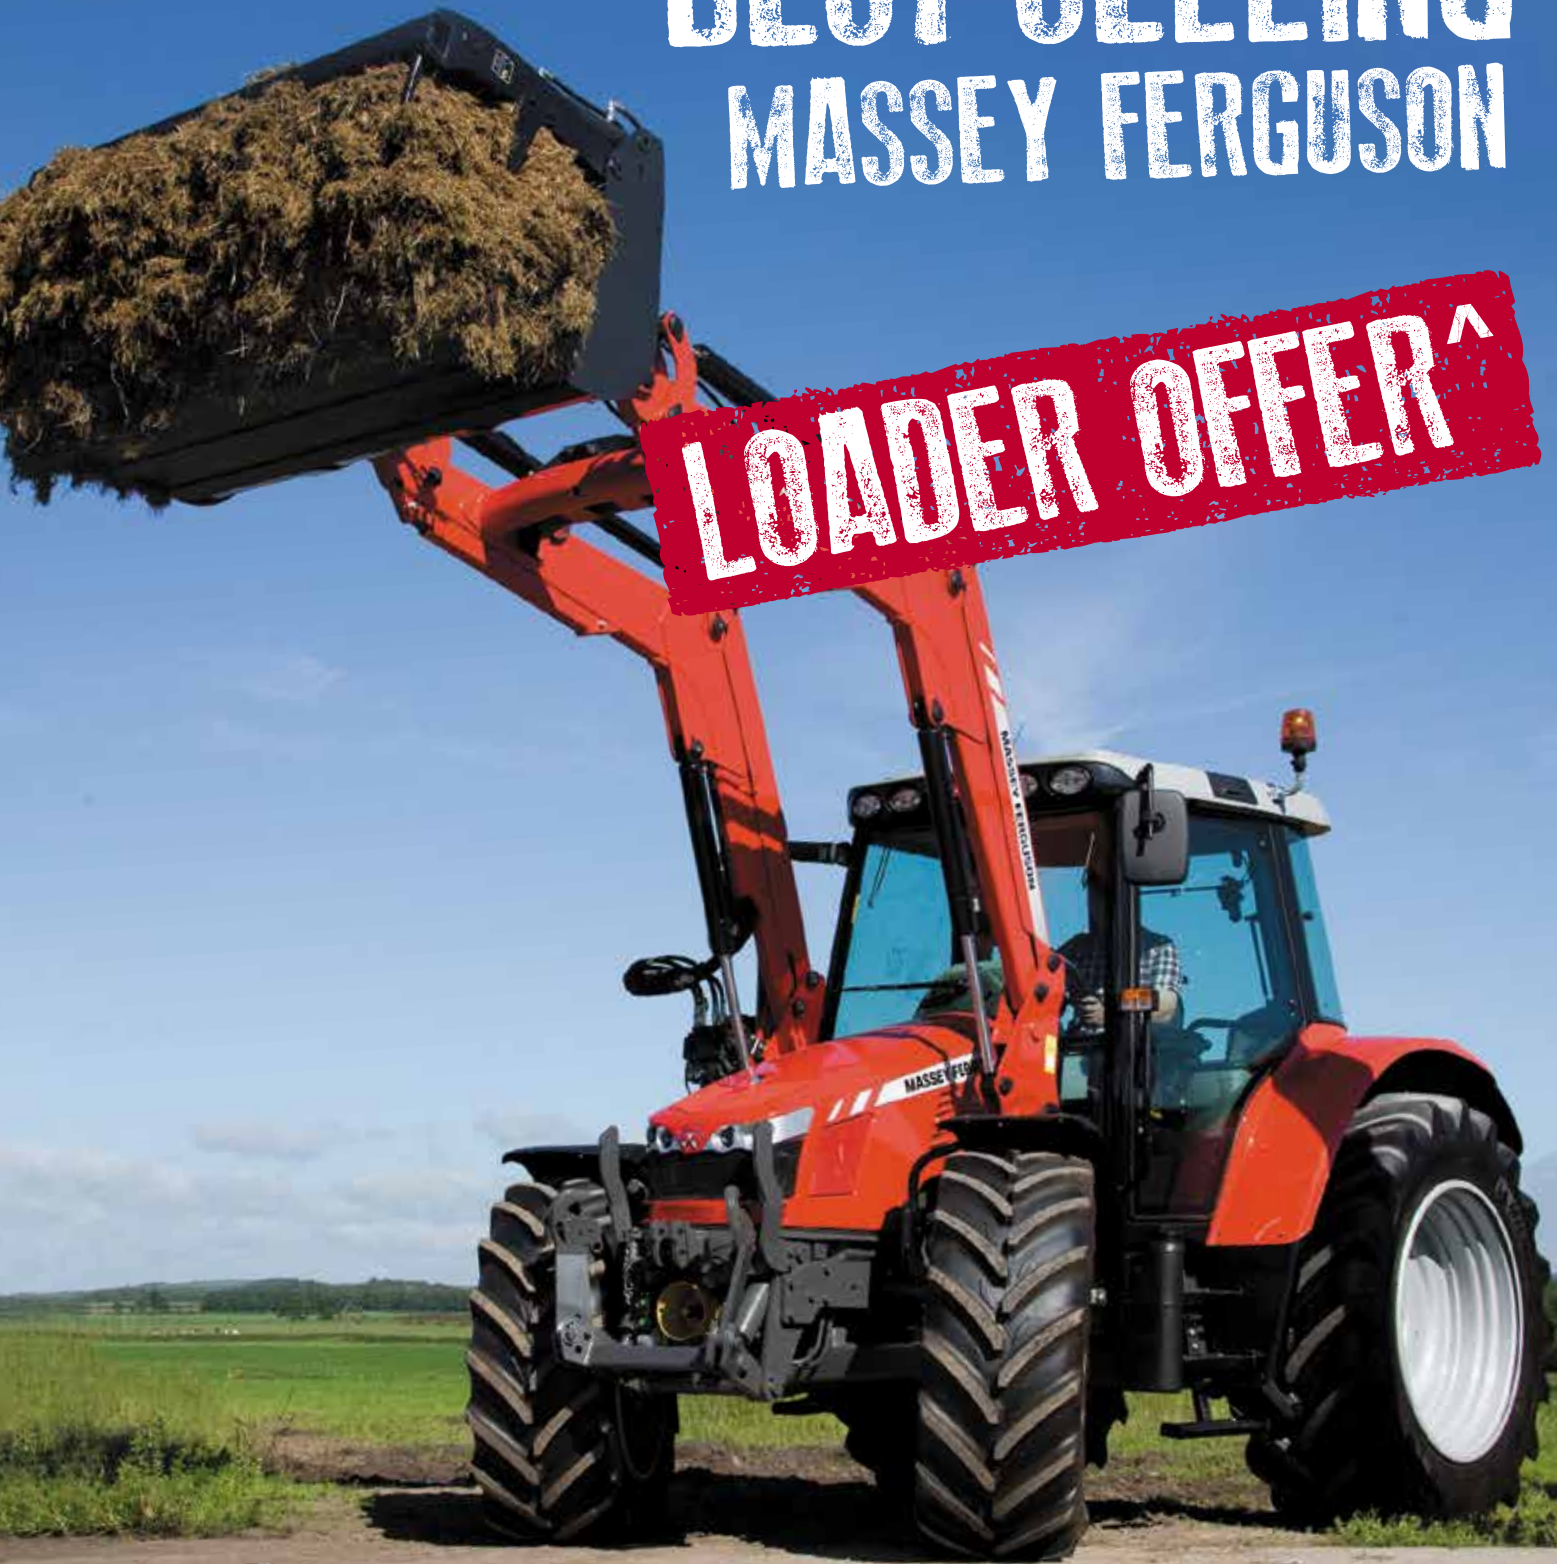

### MF400SERIES | 80 & 100 HP ROPS OR CAB

- Simple and dependable Perkins engine
- 12F/4R transmission with side shift
- ROPS (Roll Over Protection Structure) with canopy or fully enclosed cabin
- 3200 kg 3-point linkage lift capacity
- 540/1000 PTO independent of forward speed
- Sun roof – STANDARD
- 946X Loader

# THE BEST-SELLING MASSEY FERGUSON

## LOADER OFFER<sup>^</sup>

**MF5400SERIES | 92 – 125 HP**

**INCLUDES LOADER**

- Dyna-4 semi-powershift transmission (16F/16R)
- Unique styling enhances visibility for loader work
- New design delivers exceptional ground clearance
- Superb power to weight ratio

**SAVE UP TO  
\$16,684**

<sup>^</sup>Front End Loader with every MF5400 Series tractor sold. Offer ends June 30 2015, while stocks last.

**MASSEY FERGUSON**

# MID TO HIGH HORSEPOWER TRACTORS

## THE NEW DIMENSION IN FARMING POWER

Massey Ferguson's mid-high horsepower range offers a host of options and features tailored to increase the productivity, profitability and efficiency of any job.

### MF6600SERIES | 110 – 130 HP

#### NEW SERIES

- The most powerful 4-cylinder tractor in the market today
- Fuel efficient and powerful AGCO POWER engine
- Available with a choice of transmissions for a wide range of applications: Dyna-4, Dyna-6 and Dyna-VT
- Option of Essential or Efficient specification level to perfectly suit your requirements
- High versatility: Perfect for dairy units, mixed farms, arable enterprises and contracting businesses

### MF7600SERIES | 140 – 255 HP

- Fuel efficient and powerful 6-cylinder, 6.6 or 7.4 litre AGCO POWER engine
- Available with a choice of transmissions for a wide range of applications: Dyna-4, Dyna-6 and Dyna-VT
- Large fuel tanks for longer working days
- Longer, more robust fender extensions
- Unique left-hand forward reverse shuttle with speed increase/decrease function
- Comfortable cabin with right hand armrest controls

### MF8700SERIES | 270 – 370 HP

#### GREAT FINANCE RATE!

- 5 models available
- The latest Tier 4 Final AGCO POWER Engines
- New Generation SCR (2) Engine Technology
- New larger fuel tanks for longer working days
- 4 point active hydraulic cab suspension
- Powerful rear linkage with 12,000 kg lift capacity
- EPM for boost up to 30 hp
- New reinforced suspended front axle
- Dyna-VT Transmission with Dynamic Tractor Management
- New control layout
- Standard with full Telemetry Package
- Autoguide ready – STANDARD

<sup>B</sup>Offer ends 30th June 2015, while stocks last. Finance available to AGCO finance customers who hold a current ABN. 30% deposit and 36 monthly payments. GST paid in fourth month.

# BROAD-ACRE EQUIPMENT

## MF AIR SEEDERS

**FREE 70 TONNE GSI SILO WITH YOUR AIR SEEDER PURCHASE†**

Receive a 70 tonne GSI silo fully installed when you purchase a Massey Ferguson Air Seeder.

### MF9700 Air Till Drill

- 36 years of heritage
- 650 lbs breakout shanks
- Excellent depth control
- No stepping

### MF9900 Air Carts

- 2 and 3 bin models
- Isobus control – STANDARD
- Low maintenance
- 10" poly cupped auger – STANDARD

### MF9800 Single Disc Drill

- Australian designed
- Low seasonal maintenance
- In cab down pressure control
- Low hp requirement
- Stainless steel bins and metering

† Offer ends 30th April 2015, while stocks last. Customer is to provide planning and building permits as well as concrete pad to the supplied specification for installation of silo. Extra delivery charges and conditions may apply. Images for illustrative purposes only.

## MF9500SERIES COMBINES

**FREE 150 TONNE GSI SILO WITH YOUR MF9500 SERIES COMBINE PURCHASE~**

- **Exclusive V Cool system**  
Eliminates daily radiator cleaning.
- **Auto steer included**  
Not an expensive add on like other brands.
- **Simplicity**  
The absolute minimum of moving parts.

- **Axial mounted 7-cylinder AGCO POWER engine**  
Direct Rotor Drive = Highest percentage of engine power to rotor of any axial rotor machine.
- **Revolutionary two stage cleaning**  
Ensures up to 50% of the chaff is removed before material reaches the sieves.

~ Offer ends 30 June 2015, while stocks last. Available on selected MF Combines only. Customer is to provide planning and building permits as well as concrete pad to the supplied specification for installation of silo. Extra delivery charges and conditions may apply. Images for illustrative purposes only.

**MASSEY FERGUSON**

# MAY TOOLS

QUALITY • EFFICIENT • DURABLE

## Mower Conditioners

- An extensive range of mower conditioners to suit every application, from broad acre to small holding
- Machines with a cutting width up to 4m and transport width of less than 2m
- Featuring tyne; rubber on steel, steel on steel and “Ticor” conditioners covering all crop types
- Robust build provides high performance and reliability

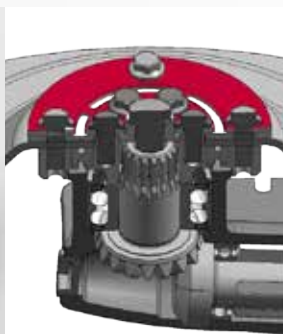

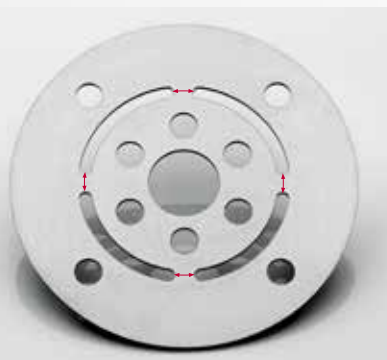

| Model  | Mount         | Width | Conditioner           |
|--------|---------------|-------|-----------------------|
| DM1397 | Butterfly     | 8.30m | Rubber roller or tyne |
| DM1340 | Front mounted | 3.0m  | -                     |
| MF1366 | -             | 3.0m  | Steel/Steel Roller    |
| MF1383 | Ctr Pivot     | 3.8m  | Steel/Steel Roller    |
| MF1386 | -             | 4.86m | Steel/Steel Roller    |

## Mowers

Every farmer knows from experience that foreign objects that are accidentally drawn into the mower can cause significant damage.

Massey Ferguson prevents precisely this kind of damage with its driveGUARD – a top notch overload protection system.

### drive GUARD

| Model  | Width | Mount      |
|--------|-------|------------|
| DM1308 | 2.46m | Side Mount |

| Model  | Width | Mount      |
|--------|-------|------------|
| DM1358 | 2.55m | Side Mount |
| DM1361 | 3.00m | Side Mount |
| DM1362 | 3.50m | Side Mount |

| Model  | Width | Mount     |
|--------|-------|-----------|
| DM1344 | 3.00m | Mid Mount |
| DM1354 | 3.50m | Mid Mount |
| DM1364 | 4.00m | Mid Mount |

## Tedders

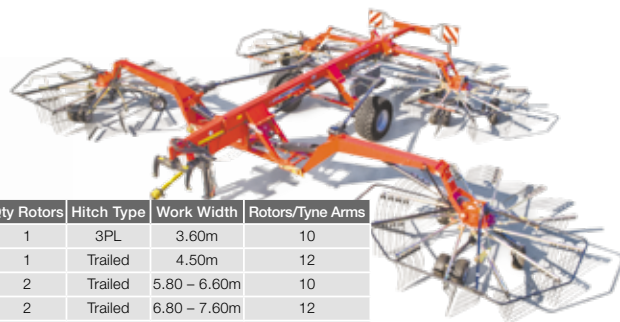

- Simple, strong and extremely effective
- Intelligent drive design utilises standard Walterscheid components for simplicity of service and maintenance
- Advanced features activated from the tractor seat, such as Edge-Spreading
- Precision rotor heads and industry-best ground-gear tooth profiles
- Built tough for years of trouble free operation

| Model  | Hitch Type | Width  | Rotors/Tyne Arms |
|--------|------------|--------|------------------|
| TD1635 | 3PL        | 5.20m  | 4 / 6            |
| TD1636 | 3PL        | 6.60m  | 6 / 6            |
| TD1648 | Trailed    | 7.70m  | 6 / 6            |
| TD1649 | Trailed    | 8.60m  | 8 / 6            |
| TD1655 | Trailed    | 10.20m | 8 / 6            |

## Rakes

- Exclusive features such as the Cardanic suspension on multi rotor machines
- Cardanic suspension allows the undercarriage of the rake to take full control of each rotor and tyne positioning – prevents tynes “digging in” and causing contamination of the forage
- “Jet Effect” feature allows the rotors to always lift at the front first when the machine is raised

| Model  | Qty Rotors | Hitch Type | Work Width    | Rotors/Tyne Arms |
|--------|------------|------------|---------------|------------------|
| RK3802 | 1          | 3PL        | 3.60m         | 10               |
| RK3814 | 1          | Trailed    | 4.50m         | 12               |
| RK3875 | 2          | Trailed    | 5.80 – 6.60m  | 10               |
| RK3877 | 2          | Trailed    | 6.80 – 7.60m  | 12               |
| RK3879 | 2          | Trailed    | 7.20 – 8.10m  | 12               |
| RK3880 | 2          | Trailed    | 8.80 – 10.00m | 15               |
| RK3890 | 4          | Trailed    | 7.20 – 12.50m | 12               |

# HAY & HARVESTING

## **WR**SERIES WINDROWER

### **NEW MODEL**

No other self-propelled windrower helps you produce quality hay faster, more efficiently, with greater precision, less fatigue, better fuel economy and lower operating costs than the all new Massey Ferguson WR Series windrowers.

## **MF BALERS**

### **THE START OF THE PERFECT BALE**

Big or small, we've got you covered

### **MF1840**SERIES SMALL SQUARE BALER

- Convenient in-line design
- Superior feeding pick up
- Rugged knotter design
- Optiform™ bale chamber
- High capacity plunger speed of 100 strokes per minute
- Twine storage capacity for ten super large spools

### **MF2200**SERIES LARGE SQUARE BALERS

- Consistent high bale density
- Tandem axle and cutter options
- Excellent productivity on all four models
- Highly efficient drive system
- Reduced power requirement means low running costs
- Low component numbers and straightforward maintenance
- Quality bales that are easy to stack and transport
- Designed and built by the experts in Hesston, Kansas
